Expenses for the services listed above do not accumulate towards your Annual Maximum. The shareable amounts listed do not change even after you have paid your Annual Maximum for other services. In the event that any of the services listed above are a result of another shareable need, they may be considered for inclusion in your Annual Max or shared without a member cost.

Pre-Membership Conditions Do Not Apply

The Basic membership add-on services listed above are eligible for sharing with the ClearShare community regardless of the pre-membership conditions and waiting periods outlined in the member guidelines.

Preventive Care Services

This membership add on includes over 74 preventive care services that are completely free. These services keep you healthy before you become sick, including routine check-ups, counseling, screenings, and immunizations. For information on services included [click here](#).

Network

Basic membership add-on services participate in two nationwide PPO networks. To find a list of providers:

1. Go to the [PHCS Network website](#).
2. Click on "Change Network"
3. Click on "PHCS"
4. Click on "Specific Services"
5. Search for a provider

When selecting a provider, contact the provider's office to verify that they are still in-network with PHCS and that the provider's billing NPI# is contracted through the PHCS/Multiplan network.

If you need to find a provider outside of the PHCS Specific Services network, go to the [PNOAe network website](#). Select the "PNOAe (Exclusive) Network" option.

Prescriptions

To see how prescriptions are categorized, browse the [Drug Formulary](#).

How to Access Care

At the time of service, let your provider know you are part of the PHCS Specific Services and PNOAe networks and show them your member ID card. Because ClearShare is not insurance, you may have a provider who doesn't understand how to bill ClearShare or won't accept your ID card. If that happens, you can call ClearShare for help or request a cash-pay discount from your provider and an itemized bill. You can submit your bill and proof of payment directly to ClearShare at: ClearShareHealth.org/need-request.

Other Services

See the [ClearShare Member Guidelines](#) for information about sharing eligibility for other services not listed here.
