How to Access Care

At the time of service, let your provider know you are part of the PHCS Specific Services network and show them your member ID card. If your provider has trouble, call ClearShare for help.

Most holistic providers will only accept cash payments at the time of service. For holistic services outside of the PHCS network, request an itemized superbill with each service or procedure listed, as well as the cost of each. If you expect multiple treatments, ask your provider for a bundled price or package for services. You can submit your bill(s) and proof of payment directly to ClearShare at ClearShareHealth.org/holistic-need-request.

Submission of Needs

ClearShare strives to process medical need requests in a timely, accurate manner. To do this, members must submit medical needs correctly and include all required documentation.

Holistic Premium Plan Need Requests should be submitted through ClearShare's website: ClearShareHealth.org/holistic-need-request. To be shared, Holistic Premium Plan Need Requests must be submitted within 30 days of the date of service or date of sale.

To expedite your monthly reimbursement for qualifying wellness expenses, submit all your receipts together.
